Dear Dr. Moore:

Congratulations! Based on the findings of the recent Accreditation Engagement Review, we are pleased to inform you that your status of *Accredited Under Review* has been changed to the status of *Accredited*. We applaud your community's dedication to continuous improvement and commitment to quality.

The accreditation action was approved by the Cognia[™] Global Commission at its meeting on March 5, 2020. Montgomery County Board of Education and each of its schools have been awarded continuing accreditation, for a five-year term, by the North Central Association Commission on Accreditation and School Improvement (NCA CASI), the Northwest Accreditation Commission (NWAC) and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI). The three listed regional agencies provide your institution with a highly regarded accreditation that is recognized throughout the world.

A certificate that indicates the term of your institution's accreditation will be mailed to the district. Throughout this term of accreditation, Montgomery County Board of Education must continue to engage in the responsibilities required of all institutions to maintain accreditation status as outlined in the *Accreditation and Certification Policies and Procedures* available at advanc-ed.org/services/policies-and-procedures.

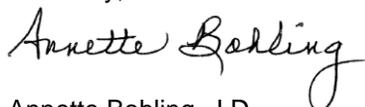

As an accredited institution, you are part of the Cognia global network: more than 36,000 schools and systems in 85 countries that are committed to continuous improvement through accreditation. Our state, national, and global offices offer a wide range of resources and services dedicated to institutional improvement. We would be happy to provide you with more information.

To help you announce and celebrate your accreditation, we are providing you with a press release that you may share with your local media. You can access the press release by visiting cognia.org/communicationskit. In the kit, you also will find brochures, accreditation seals, and other promotional items to display your pride in your institution's accreditation and your commitment to continuous improvement.

If you have questions regarding the enclosed certificate, e-mail us at accreditation-certificates@cognia.org. Staff members at our Cognia Accreditation and Certification offices can also answer any questions you may have and can be reached at +1.480.773.6960.

We look forward to serving you now and in the future.

Sincerely,

Annette Bohling, J.D.
