A SUMMARY OF THE MPS PARENT AND FAMILY ENGAGEMENT POLICY 2021-2022

TITLE I

► What is Title I?

Title I is the nation's largest assistance program for schools that provides supplemental resources to economically disadvantaged schools to support the achievement of its students. It is a federal program to help all students get a good education and meet academic standards.

Title I funds are used to upgrade the entire school's educational program so that the overall education of ALL children who attend the school can be improved. All children enrolled in the Title I school, including those with disabilities and children with limited English proficiency, are eligible to receive Title I services.

- ◆ Regular parent meetings will be held at all Title I schools at various times.
- ◆ Information about your child's teacher qualifications will be provided upon request.
- ◆ Title I schools will distribute information in a language parents can understand using a variety of methods including newsletters, flyers, the school website, and the automated phone system.
