PUBLIC SCHOOLS

The Montgomery County Public School System is very proud to offer the **Home Instruction for Parents of Preschool Youngsters – HIPPI Program** to families with children 3 & 4 years of age. This home-based, pre-school readiness program supports *PARENTS* as the first and best teacher of their child/children.

To qualify:

- Your child must be three or four years old on or before September 2nd
- Your family must live in the city or county of Montgomery
- **YOU** – the Parent, must be available one hour, one day a week to meet with the MPS Parent Educator

HIPPY is **FREE**. Books and materials are provided to parents to use weekly with their child/children. Parents work with MPS HIPPY Parent Educators to review learning activities ahead of time, and are asked to complete the activities with their child by spending 15-20 minutes together five days each week.

We would love to work with you!
