Dear Students and Parents:

Welcome Back!!! Let's get ready for "***The MLK Experience!***" We are looking forward to a very exciting and impactful school year. We have been planning for our total "School-Community. We want to continue to build on what we have learned; all while creating a safe environment for leading and learning.

I am committed; along with our school staff, to serving you better. This upcoming year will be filled with building lasting relationships by acquainting, orientating, and learning routines and procedures in our school environment. Our planning is intentional – with you in mind. We want our scholars and our teachers to love coming to school. We want you to be an active and integral part of the overall learning processes. We want to connect with you on all levels. In [our] MLK Community of Learners, everyone is important! We are asking each of you to **CONNECT WITH US** on a regular basis. We welcome your visits. We ask that you visit our school's website regularly for updates. Together, we can [and we will] make "***Great Things Happen Here!***" We are looking forward to another amazing year – together.

We are continuing with our theme – "***Great Things Happen Here!***" We are committed to the following:

- Innovation, creativity, and fostering a love for learning
- In a safe, conducive, and productive environment for learning
- All while increasing student proficiency, academics, growth, and attendance
- As we build and foster capacity for all community stakeholders.

This is "***The MLK Experience!***" and we want you to engage in. We look forward to seeing you!

Sincerely,

Booker T. McMillian  
Principal
