Our Purpose and Direction

We will engage, educate and inspire our students to succeed in college, career and beyond!

Our Vision

MPS is a place where every student develops a love of learning, cultivates intellectual curiosity and dreams of a future full of amazing possibilities.

Our Core Values

Commitment to Achievement - We push our students to do more and be better than they think is possible. We expect all students to achieve in school and in their chosen path following graduation. We seek excellence in all that we do in the classroom and beyond. From the appearance of our schools to the quality of our education, we strive for and expect the best from our leaders, teachers, support staff, and students, and we will accept nothing less.

Passion for Learning - We cultivate a love of learning and an intellectual curiosity that drives creativity and analytical thinking.

Integrity & Accountability - We believe as educators we are accountable to students, parents, the community, and each other to give our best to educate our students and serve as a role model of exemplary integrity, work ethic, and character. This level of accountability requires complete, transparent communication with our community. Our teachers and leaders model this behavior; teach what it means to be a person of integrity, and hold our students to this high standard.

Respect for Self and Others - We teach students to respect others and be inclusive. Our students learn to value the diverse characteristics that make each person unique. That respect of others begins with a proper respect and appreciation for self.

Educational Equity - We champion the right of each student to receive a quality education in a caring environment regardless of the student’s background, beliefs, and capabilities. We value each student as a person and embrace our responsibility to serve as an advocate for each student, encouraging them and ensuring physical, emotional, and intellectual needs are addressed, allowing all students to focus fully on their education.

Community Partnerships - Our community partnerships make us stronger and are an integral part of who we are and what we do. We recognize our responsibility to teach our students to be socially responsible, caring, compassionate leaders prepared to serve others and contribute to society. Our success is a success for the community.

**ABSENCES and CHECKING IN and OUT OF SCHOOL** (Please refer to the *MPS Student Conduct Manual*)

Students must be in attendance a minimum of one-half (1/2) of the instructional day to be counted present and to participate in extracurricular activities. An early dismissal before one-half (1/2) of the school day (10:45 a.m.) or a check-in after one half (10:45 a.m.) of the school day is counted as an absence.

ALL Prior Approval Absence Forms must be hand-delivered to the Office of Student Support Services or mailed via USPS within TWO WEEKS PRIOR to the date requested. Faxed or emailed forms will not be accepted. Please be sure to have with you or include a copy, if mailed, a valid photo identification.

**AMERICANS WITH DISABILITIES ACT**

All schools, including magnet schools, must comply with the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, and the individuals with Disabilities Education Act. If you think or suspect your child may have a disability, please notify the principal. Your child may be eligible for a free evaluation and additional services and assistance from the school. If you have questions or need assistance with this process, call the Special Education Director at (334) 269-3808 or Section 504 Coordinator at (334) 223-6850 or (334) 223-6937.

**CHECK-INS**

- Students are required to report to school no later than the official beginning of the school day and to be on time for all classes during the day.
- Students reporting to school late or returning to school after a check-out must check in through the main office.
- When students check in, they must sign in at the office and provide the time and reason for checking in.
- To be excused, each check-in must be accompanied by a note from a parent or physician verifying an excusable reason for the check-in. Check ins are excused for the same reasons as absences. Notes from parents/guardians are limited to 8 per year. Notes will be placed in the Attendance folders.
- Students are considered absent for the day if they check in after 10:45 a.m.

**CHECK-OUTS**

- If a student knows that a check-out will be required during the day, they should bring a note to the office signed by a parent stating the student’s name, the time to check out, and the specific reason for check out.
- **This note should be given to the office before 1st period, where the check-out request will be verified.**
- Students who become ill at school (or find it necessary to leave school unexpectedly for some other valid reason) should report to the office/nurse. The office/nurse will verify and will determine absences status.
• Students are not permitted to leave school without signing out and being properly dismissed through the school office. Parents will be notified before a student is permitted to leave school.
• If the check-out is denied by the office, the student will be given a pass back to class.
• Students will be allowed to call a parent/guardian from the office should they need to leave school unexpectedly. An email verification will be required for documentation.
• Students returning to school after checking out must check in following the procedure outlined under “CHECK-INS”.

**CHEATING/PLAGIARISM** (Please see the MPS Student Conduct Manual)

**COMMUNICATION/ELECTRONIC DEVICES** (The cell phone/telecommunication device guidelines of the school coincide with MPS policy, but in a more detailed and school specific form.)

(The following information regarding cell phones and/or telecommunication devices is taken from the MPS Student Conduct Manual). **Students are not permitted to use a cell phone or any electronic device in school. This includes, but is not limited to an IPhone, Blackberry, Smartphone, other adapted PDAs or electronic devices. Principals have the authority to allow the use of cell phones and electronic devices for instructional purposes during class, however that permission must be granted before students are allowed to openly display cell phones or other electronic devices in class/school. Unless otherwise stated, cell phones and other electronic devices are to be out of view and not in use while students are in the school building, in classes that may be held outside of the building and on school sponsored field trips. If a cell phone rings or beeps in class/school, it is considered being in use. Therefore, it is advised that student phones remain off while in the school building. Students assigned to behavior alternative sites are to adhere to the MPS Cell Phone Usage Policy. Procedures for confiscating, securing and returning devices will be developed on a school by school basis. School officials accept no responsibility for safeguarding confiscated items or for loss or damage to confiscated property.**

**Consequences**

Students are required to dress according to school board policy.

Students are expected to be appropriately dressed and groomed for school each day. Hoops larger than one inch will not be allowed. Jewelry which includes long necklaces, accessories with spikes or chains, heavy medallions, removable dental grills, heavy bracelets and large finger rings will not be allowed.

Furthermore, Parents/Guardians or Visitors are prohibited from posting pictures of any other student on any non-MPS media platform.

PRINCIPAL’S AUTHORITY

Such factors may include, but are not limited to, the age of the student, the seriousness of the offense, the prior discipline record of the student, the degree of disruption to the educational process, and any other relevant factors. Repetitive instances of misconduct constitute a violation of Board Policy: Persistent/Willful Disobedience and will be handled according to consequences under the Student Conduct Manual. Consequences are applicable to all grade levels unless otherwise specified. The principal has the authority to develop an individual school cell phone procedure. The principal also has the authority to prohibit outside food/drink, and any other items that may be hazardous to others (i.e. aerosol sprays and perfumes). In an effort to quickly gain information about certain incidents involving or witnessed by students, MPS has the right to question and/or interview students outside of the presence of students’ parents and/or guardians. To the extent required by law or Board policy, parents will be notified of such interviews as soon as practicable.

LAMP DISCIPLINE PLAN

Each student at LAMP High School is responsible for his/her own behavior. Inappropriate behavior will result in consequences deemed suitable to the severity and frequency of misconduct.

Each parent/guardian received a copy of the 2021-2022 MPS Student Conduct Manual. The rules, rights, and responsibilities of students, parents, and teachers are contained in its pages. Please refer to it as often as necessary.

Each teacher has his/her own set of classroom rules and consequences. The rules are necessary for an orderly classroom environment. Consequences for breaking the rules are clear, fair, and aimed toward maintaining a positive learning environment. Consequences for classroom rules violations may include but are not limited to the following:

1. Verbal warning
2. One-on-one conference
3. Counseling
4. After-School Detention
5. Parent contact
6. Parent conference
7. Office Referral

The student will be referred to the office when the teacher’s classroom discipline plan has been exhausted, has been proven ineffective, or the offense is severe. An office referral may be given for any offense listed in the Montgomery Public Schools Student Conduct Manual. Receiving an office referral may result in the following consequences:

1. Counseling
2. Call to parent for immediate conference
3. After School detention
4. Out-of-school suspension for one to three days in accordance with MPS Student Conduct Manual guidelines.

Confiscated items will be stored in the office marked with the child’s name. Parents must come to the office to collect confiscated items. School officials accept no responsibility for safeguarding confiscated items for loss or damage.

Restitution will be required if applicable.

Student behavior that interferes with the rights of teachers to teach and students to learn is unacceptable.

Committee Members: Matthew Monson- Principal, Kelli Muncher- Counselor, Gina Aaij- English Department Head, Paul Daniel- Math Department head, Kathy Graben- Science Department Head, Teresa Pittman- Elective Department Head.
